

DEPARTMENT OF THE AIR FORCE
HEADQUARTERS AIR MOBILITY COMMAND (AMC)

MEMORANDUM FOR ALL OFFERORS

MAR 08 2001

FROM: HQ AMC/DOYAS
402 Scott Drive Unit 3A1
Scott AFB IL 62225-5302

SUBJECT: Solicitation F11626-01-R-0004

1. Enclosed is the FY 02 solicitation for the Domestic Services Section of the National Civil Reserve Air Fleet (CRAF) Segment.

2. Your attention is directed to the following information and/or common problems encountered during the evaluation process, which can significantly delay the award process:

a. The FY 02 Domestic CRAF solicitation requires commitment of aircraft to Stage II, in addition to Stage III.

b. The offeror must have performed 12 continuous months of comparable service in the type of airlift business required, prior to award. See Section M, paragraph 2 of the solicitation.

c. The offeror must be DoD approved prior to award. See Section M, paragraph 2 of the solicitation.

d. The offeror's aircraft must meet the CRAF minimum capability requirements stated in the solicitation, Section C-2, paragraph 1.6.3. In addition, the capability requirements offered must be reviewed and approved by HQ AMC/DOF.

e. **Facility Clearance process.** A Facility Clearance is required before a contract can be awarded. Reference Section L, paragraph 5, AFFARS 5352.215-9000, Facility Clearance. The Defense Security Service Operations Center (DSSOC) is responsible for this process, which can be lengthy. **Immediate** response to their requirements is necessary in order to process the facility clearance in a timely manner and allow further evaluation of the offer for award. All offerors are **strongly encouraged** to thoroughly review the National Industrial Security Program Operating Manual (NISPOM) (DoD 5220.22M) for an in-depth understanding of what is required from the DSSOC, to include those personnel that are required to comply.

f. **Lease agreements.** If offering leased aircraft to the CRAF program, the certificate on page L-4, paragraph 8.c. **must** be completed. The lease agreement(s) **must** be exactly as stated in this Lease Conformance. **No alternative language is acceptable.**

3. Environmental Compliance. Offerors are reminded of the environmental requirements contained in the solicitation to comply with all applicable federal, state, and local environmental statutes and regulations. In addition to the scrutiny of civil environmental regulatory and enforcement agencies, environmental compliance incidental to Air Force activities or on Air Force property is subject to Air Force scrutiny. The Air Force routinely investigates environmental violations and cooperates fully with civil authorities to secure remedies and discourage future violations. Failure to comply with environmental statutes and regulations can subject the contractor to criminal and civil penalties and/or contractual sanctions including, but not limited to, termination, suspension, and debarment, and adverse past performance assessment.

4. Please refer to Section L, paragraph 8, Proposal Preparation Requirements, prior to submitting your offer. AMC HQ Forms 82 and 83, and the DOD Statement of Intent shall be completed and returned with your offer.

5. Your interest in this requirement is appreciated. Your point of contact is Mary Deutschmann, (618) 229-2486, FAX (618) 256-2804, or E-mail Mary.Deutschmann@scott.af.mil.
